Masterclass Pricing (Sliding Scale)

I offer 3 different price options. You can freely choose the one that best fits your financial situation:

- €150 — "Low budget" rate: To ensure financial constraints aren't a barrier to your participation.
- €175 — "Fair price": The baseline rate that covers the event's operating costs (teacher compensation, guest travel expenses, room rental, snacks...).
- €200 — "Solidarity price": You pay a little extra to support the organization and allow those with lower budgets to participate.
